Florida Association of Public Art Professionals was founded in 1998 as a non-profit corporation, established as a service organization for professional public art administrators and related disciplines. FAPAP is dedicated to the development, advancement and education of the public art field in the State of Florida. FAPAP develops and promotes professional standards in the management and administration of public art programs. The mission, direction and activities of FAPAP are guided by a board of directors and officers elected by the membership who endeavor to provide education, informational and networking opportunities for individuals, institutions, governments and businesses involved in all aspects of public art. FAPAP is the only statewide public art organization in the United States.
