Call to Artists

Broward County

In partnership with Port Everglades, Broward County, Florida, Broward Cultural Division's Public Art & Design Program is seeking to commission one artist or artist team (Artist) to design fabricate and install artwork at the new Port Everglades Palm Garage located at the intersection of Eisenhower Boulevard and SW 20th Street, Fort Lauderdale. Opportunities exist on the building's exterior facade. Additional opportunities may be identified in collaboration with the design team. The artwork's design shall contribute to the Port's visual branding theme of the Everglades and resolve to establish an artistic sense of place for Port Everglades visitors.

Budget: \$320,000

Call Deadline: January 3, 2018

Please visit the link below for further information: <http://www.broward.org/arts/publicart/pages/calls.aspx>

Hillsborough County

Hillsborough County is interested in receiving submissions from artists demonstrating their ability to provide completely realized artworks dealing with topography. The community wishes to tie their park to both spirituality and science through a work which promotes gathering and awareness of the passage of time. Portions of the work may promote community and youth involvement through an annual painting program. The piece should require very low maintenance and the minimal use of plantings to achieve the artist's intent. The 25 A. site currently includes a 14,000 S.F. library, community garden, and walking trail. The selected artist(s) will be responsible for the design, fabrication, and installation of the permanent artwork.

Estimated Budget For the Project: \$80,000 - \$85,000.

New Public Art and Program News

JR's travelling public art installation [Inside/Out DREAMers](#) Project visited a few of our Florida cities last month! The one-day pop-art installation invited community members to participate in the creation of a large art installation. Four foot by six foot black and white portraits were taken and pasted on to the street in West Palm, and onto a city wall in Tampa, creating a diverse mosaic representative of this community and reflective of our nation's diversity. The installation while temporary leveraged the visual power of public art with public participation to create a unique portrait of this community and be part of a larger national dialogue. Photobooth Trucks also visited Orlando and Miami.

CODAWorx

CODAWorx announced a new General Liability Insurance Program for artists, it covers certain liability claims that arise out of the installation of commissioned artwork on-site.

CODAWorx teamed with sseigroup.com, a leading special events insurance program manager, to develop this new liability insurance program designed for commission artists. The insurance is underwritten by a top-rated (AA/A+) international insurance company. The liability coverage is tailored to meet the individual requirements of an artwork installation and provides cost-effective protection for artists. www.codaworx.com/insurance

Tampa

The City of Tampa was recently awarded an "Urban Excellence Award" for the Public Art on the Doyle Carlton segment of the Riverwalk, as well as a "Social Impact Award" for *I Am Priceless*, a mural by [Tes One](#) that addresses the issue of Human Trafficking. These awards, produced by the Tampa Downtown Partnership, are a celebration of businesses, organizations, individuals, events and projects that have made significant contributions towards creating a unique, vibrant and diverse downtown and have made a lasting, positive impact on Downtown Tampa. The Public Art installations featured on this segment on the Riverwalk included *Andante* by [Heidi Lippman](#) and *Woven Waves* by [Re:Site](#).

Boynton Beach

Video of the "Albert on the Avenue" in the City of Boynton Beach. The national exhibit is an easy, self-guided walkable 30-45-minute tour along E. Ocean Avenue in the City's Cultural District, and consists of six massive sculptures totaling 17 tons. Albert Paley's descriptive commentary of each of his sculptures can be accessed via a smart phone connecting with a QR-code on each of the artwork plaques.
